Dear Sir;

PARTNERSHIP FOR A GUIDED TOUR OF EFCC RECOVERED AND FORFEITED STOLEN ASSETS

On behalf of HEDA Resource Centre and University of Kent, UK, I wish to commend your commission on its remarkable achievements in the tracing, tracking, freezing and forfeiture of assets considered proceeds of crime in possession of former public office holders accused of corruption, money laundering and other financial crimes.

Our organizations are, in support of the Federal Government efforts in recovering national assets stolen and hidden in outside jurisdiction, organizing training programmes for journalists, Activists and Prosecutors on anticorruption law training conference "Tracking Noxious Funds" in Lagos and Abuja in the month of November. In recognition of your Commission's profound achievement in this regards, we are happy to showcase these achievements to our invited international resource persons and participants from across Nigeria. The tour of these facilities, properties finally forfeited to the federal government through your commission, will be tagged 'Klepto Tour'.

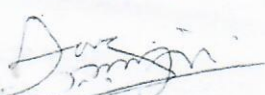

The planned itinerary is for a tour of the Lagos assets on Wednesday November 22, 2017 from 9am to 12pm. We shall do Abuja tour on Friday November 24, 2017 from 8am to 10am. For this tour, we shall require the support of the Commission In providing us with the following:

1. A tour guide (a staff of the commission with vast historic knowledge of the properties)
2. 2 coaster buses (with Air condition facility) to convey guests around the properties.
3. Security guard to protect the tourist during the tour
4. Light refreshment for the tourist
5. Media coverage by media team of the commission
6. Materials and souvenirs of the commission relating to stolen assets recovery.
7. Other support services considered imperative for a successful tour by the Commission

We shall look forward to your kind consideration, approval and action on these humble requests.

Please accept the assurance of our esteem consideration.

Sincerely yours
