Dear Sir,

**REQUEST FOR INFORMATION ON THE ENGAGEMENT OF Bitt Inc. BY THE
CENTRAL BANK OF NIGERIA PURSUANT TO THE FREEDOM OF
INFORMATION ACT, 2011.**

We write on the above subject matter and further to our mandate as a Non- Governmental Organization (NGO) to among others, protect and promote transparency, accountability and justice in public affairs.

By a press release dated the 30th day of August 2021 and signed by Osita Nwanisobi (Director, Corporate Communication of the Central Bank of Nigeria), the CBN announced that after a highly competitive bidding process, Bitt Inc was selected as the technical partner for its Digital Currency Project named "eNaira".

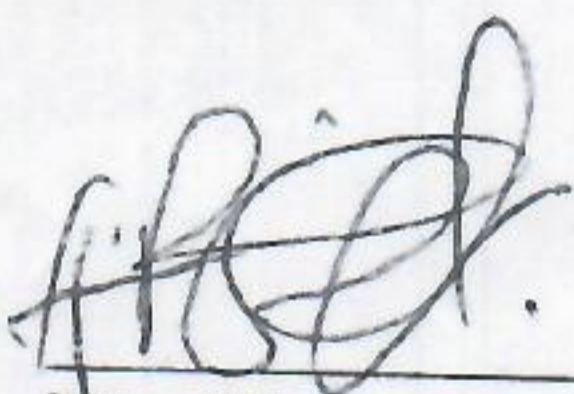

We have no doubt that the bidding process was done in accordance with the Public Procurement Act, 2007. However, to satisfy public curiosity and pursuant to Sections 2, 3 and 4 of the Freedom of Information (FoI) Act, 2011, we therefore request for the following:

1. Evidence of the newspaper advert calling for bidders.
2. List of bidders.
3. Evidence of public opening of the bid.

We look forward to receiving the requested information within seven (7) days of receipt of this letter and should you require any further clarification, do not hesitate to contact us.

Thank you.

Yours faithfully,

Mr. Olanrewaju Suraju
Chairman
