Mamman Ahmadu, FNIQS
Director General, Bureau of Public Procurement

Dear Sir,

**REQUEST FOR INFORMATION ON THE PROCUREMENT PROCESS FOR
ENGAGEMENT OF CONTRACTORS FOR THE IMPLEMENTATION OF THE
INTERNATIONAL CARGO TRACKING NOTE (ICTN) PURSUANT TO THE
FREEDOM OF INFORMATION ACT, 2011.**

We write on the above subject matter further to our mandate as a Non- Governmental Organization (NGO) to among others, protect and promote transparency, accountability and justice in public affairs.

By a Premium Times report of the 24th day of November 2021, it was reported that based on leaked confidential memos and interview with sources, showed how the President and Minister awarded the security-sensitive contract to two companies :- MedTech Scientific Limited and Rozi International Limited in ways that breached the Public Procurement Act, 2007.¹

In light of the foregoing and pursuant to Sections 2, 3 and 4 of the Freedom of Information (FoI) Act, 2011, we therefore request for documents that shows the procurement process of MedTech Scientific Limited and Rozi International Limited as contractors for the implementation of the International Cargo Tracking Note (ICTN) scheme, domiciled in the Nigerian Shippers' Council.

We look forward to receiving the requested information within seven (7) days of receipt of this letter and should you require any further clarification, do not hesitate to contact us.

Thank you.

Yours faithfully,

Mr. Olanrewaju Suraju
Chairman
