Dear Sir,

**REQUEST FOR INFORMATION PURSUANT TO THE FREEDOM OF
INFORMATION ACT, 2011.**

We write on the above subject matter and further to our mandate as a Non- Governmental Organization (NGO) duly registered under the Nigeria Company law to among others, protect and promote transparency, accountability and justice in public affairs.

Pursuant to Sections 2, 3 and 4 of the Freedom of Information (FoI) Act, 2011, we therefore request for the **CTC of the Certificate of exemption issued by the NYSC to Mr Adeleke Ademola; the Governor-elect of Osun State.**

Our request is premised on a finding that Mr Ademola Adeleke graduated from Penn Foster High School on the 16th day of July 2021 with a Diploma and the Atlanta Metropolitan State College on the 9th day of August 2021 with a Bachelor of Science Degree in Criminal Justice, a 4-year physical course. We are very much aware that under her NYSC act and operations, graduates of 3 year study at Colleges of Education are not mobilized for service or issued with exemption certificate.

It is therefore surprising to see Mr. Ademola Adeleke issued with a Certificate of Exemption in October 2021 after presenting a certificate technically issued in less than a month of obtaining a diploma, the basic requirement for admission to a Degree court. It is apparent that the records do not tally with reality. Hence, our request. Find attached brochure from Atlanta Metropolitan State College confirming the Bsc presented is a 4 year course.

We look forward to receiving the requested information within seven (7) days of receipt of this letter and should you require any further clarification, do not hesitate to contact us.

Thank you as you are always assured of our warm regards.

Yours faithfully,

**Mr. Olanrewaju Suraju
Chairman**
