Dear Sir,

**REQUEST FOR INFORMATION PURSUANT TO THE FREEDOM OF
INFORMATION ACT, 2011.**

We write on the above subject matter and further to our mandate as a Non- Governmental Organization (NGO) duly registered under the Nigeria Company law to among others, protect and promote transparency, accountability and justice in public affairs.

Pursuant to Sections 2, 3 and 4 of the Freedom of Information (FoI) Act, 2011, we kindly request for the report of the Judicial Commission of enquiry constituted by the President in June 2020 headed by Retired Justice Salami to investigate allegations against suspended former acting Chairman of the Economic and Financial Crimes Commission (EFCC); Ibrahim Magu.

You will recall that the Commission was originally given 45 days to submit its report and findings, but further extensions were granted as it was unable to conclude the task within the set period. The report of the Commission was ultimately submitted to the President on November 20, 2020 and a Committee under your office was constituted to produce a white paper from the report for government's action. Almost 2 years after, the report produced from tax payers fund has not been made public nor was a white paper reportedly issued by the government. Rather and curiously, what we have in the public domain is selective reporting of alleged snippets from the report devoid of any official confirmation or rebuttal from the Government.

Our request is premised on an ongoing research into corrupt practices in Nigeria by our organization and several other media houses. However, we need the full and complete report to aid our research.

We look forward to receiving the requested information within seven (7) days of the receipt of this letter and should you require any further clarification, do not hesitate to contact us.

Thank you as you are always assured of our warm regards.

Yours faithfully,

**Mr. Olanrewaju Suraju
Chairman**
